### **VERIFICATION OF PENSIONERS UNDER THE MINISTRY OF GENDER, LABOUR AND SOCIAL DEVELOPMENT**

Reference is made to Establishment Notice No. 3 of 2019 regarding Guidelines on the Implementation of Full Decentralization of Pension and Gratuity Processing, Management and Payment.

The Ministry of Public Services guided that the responsibility of pension and gratuity management had been decentralized to Ministries, Departments and Local Governments. This mainly involves verifying and updating pensioners on the payroll. Furthermore, it is emphasized that Responsible Officers must ensure the annual life certificates are filled by all pensioners before payment.

The Ministry of Gender, Labour and Social Development undertook validation of the pension payroll for FY 2022/2023 and has since discovered that a total of sixty six (66) pensioners on the Ministry payroll have never showed up for validation and do not have up to date life certificates.

The purpose of this letter therefore is to request you to circulate the attached list of pensioners in an effort to locate them so that the Ministry can validate and pay them what is due.

I look forward to your usual cooperation and support.

James Ebitu
